

HOLIDAY GREETINGS FROM OUR TO YOURS

Another year has come and gone. We hope that yours was a healthy and happy one.

We survived yet another 181 days with high school 😊 teenagers. Our movie total was up to 86 this year. Janette is still doing aerobics ⇄ three times a week and Reinhard is bicycling  and playing indoor (old men's) soccer.

We added a Macintosh IIsi  computer to our collection. In May we sold our condo but remained lame-duck occupants until the end of August.

61 people joined us in August for our fifth annual lot party in Barrington Hills. Several people received a five-year attendance ribbon.

 update: Our architect has given us our (almost) final plans after many changes and we are in the midst of selecting a builder. Everything is still go for ground-breaking this spring.

Our 1991  took us back to Germany once again. In July we travelled from Düsseldorf to Köln, Bonn, Trier, Heidelberg, Stuttgart to Munich (and many places in between). One glorious week was spent alone (with ) in the Swiss Alps. We also attended a language conference in Washington D.C. in November. The end of summer was busy with a visit from the Bertelsmann family from Munich and our move from Schaumburg. We are currently renting Kim Cannon's house (and 22 lb. cat) in Barrington.

These and many other activities made it an exciting 1991 for us. We wish you all the best in 1992!
