

## Greetings from our house to yours with news from 2002!

2002 started pretty normally, but then the excitement began with one "snow day" off from school in January. It was a year of moving and moving violations as we helped Louise move to a new larger condo in March and Janette's car was hit by an uninsured driver. (Everyone was ok but she now has a new bumper.) At the end of March we hosted the German Exchange again for the 23<sup>rd</sup> time. During that time Reinhard had a blow-out on the expressway with his Previa van. (Everyone was ok but he now has a new wheel.) May was the month of retirement parties. It seems that a lot of friends and colleagues are at that age. Janette started a new season of horseshows (both driving and riding) and to everyone's surprise bought a second horse, four-year old Farryly. We enjoyed opening our pool for the 6<sup>th</sup> year and looked forward to summer. In June we traveled with Abbie and Lily to Spain. It was Reinhard's first trip there. We rented a car and had two great weeks from Madrid to Gibraltar. In July Donald moved to Barrington to be closer to his sons. August was the usual frenzy to enjoy the last weeks before another start of a school year (Reinhard's 30<sup>th</sup> and Janette's 27<sup>th</sup>). We did manage a 4-day trip to New Orleans with Jeff and Yunxia. The house had a pergola addition just in time for the 16<sup>th</sup> annual Lot Party (94 people) and the never-ending pond project continued. The fall was mostly filled with school activities and a trip to Door County. Janette was also named the new Foreign Language Department head for the 03-04 school year. Other than

all of that, we continued with the usual activities: Going out to dinner with friends, catering to our furry friends Raudi & Tobi, seeing movies (68), Janette doing yoga and going to horse shows with Bary, Reinhard playing poker and Frisbee, and so much more. Janette also stayed busy as Treasurer of AATSP and Reinhard as the HEHS webmaster.
