

Greetings from our house to yours with news from 2010

2010

was another year filled with travels, visits, accomplishments, memories, milestones, growth, joy and some sadness. We were able to visit with many friends and family at our house and theirs.

Another busy travel year started with a January trip to Florida to meet up with Louise. We took the long way

and got to see some cities we hadn't been to before. In March we stayed a week in Las Vegas. We had fun, but didn't win anything. In

May we flew to New York to see Baryshnikov dance. That gave us the opportunity to see Buck and Jeff, Yunxia and Hong. At the end of August Reinhard spent two weeks with Wilfried in Germany. They went to see Fred, an old friend in Zürich; Wilfried's brother Manfred, and finally met Reinhard's half-sister Daniela and her family. Then at the end of November we went to St. Thomas to celebrate our 25th wedding anniversary.

On the home front we finally finished our addition project. In summer we spent a lot of time in our yard with our new dog *Tailer* and swimming in our pool. Janette still rides at Rancho del Rio in Wisconsin and goes to horse shows in the Midwest with her horse *Worthy*. Our annual 24th Lot Party (117 people) and the 63rd Fort Reunion took place as usual in August and September. The summer also brought a move for Reinhard's father Donald to assisted living from his apartment in Barrington. A little over a month later he was diagnosed with cancer and died within two weeks. We'll miss our outings and Sunday morning breakfasts with him. In October was our annual get-together in Door County with Mary and Ray.

As always, during the year we enjoyed getting together with our families and friends,

going out to eat and seeing movies (64). We enjoy watching Reinhard's grandson Hong grow up (7 years old) and follow our nieces' and nephews' progress around the country and world. Janette is still practicing yoga and rides as often as she can. Reinhard plays his monthly poker (17th year), plays Frisbee Golf (101 official games), plays a little golf and table tennis. Once a week he plays Skat and continues his volunteer work for the retired teachers organization and being the weekday projectionist at the *Catlow Theater* in Barrington. Janette is still busy as Treasurer of AATSP and she volunteers weekly at *Walk On*, a therapeutic riding program for children.
