

Greetings from our house to yours with news from 2013

2013

was another year filled with travels, fun, accomplishments, memories, and growth. We were able to visit with many friends and family at our house and theirs.

Our travel year started with a visit to New York/New Jersey to see Jeff and Yunxia and celebrate Hong's 9th birthday. In March we flew to Las Vegas to celebrate Janette's 60th birthday at the Bellagio. In May Reinhard flew to Frankfurt and visited with the Herzog's. He then met up with Wilfried and traveled to Braunschweig to see Manfred and Gretel. Then Jeff joined Reinhard in Stuttgart and Bad Homburg for a week.

In June we drove to St. Paul/Minneapolis for a horse show and visited with the Metcalfe's. Matthias came from Germany in July to stay with us for a week. In August we spent a weekend in Chicago to celebrate Reinhard's 64th birthday. Cousin Angela came from New Jersey for a visit. We helped celebrate Louise's 90th birthday in

September and at the end of October we took her to Las Vegas for a week.

On the home front, we did a lot of entertaining as usual. In summer we spent a lot of time in the yard with our dog *Tailer* and swam in the pool. Janette still rides at Rancho del Rio in Wisconsin and went to horse shows in the Midwest with her horses (Worthy in the photo). Our annual 27th Lot Party in August (with a new *Biergarten*) was attended by 115 people and the 66th Fort Reunion took place as usual in September. In October we had our annual get-together in Door County with the Spangler's and friends.

As always, during the year we enjoy going out to eat and seeing movies (73) and riding our bikes. We follow our nieces' and nephews' progress around the country and world. Reinhard plays his monthly poker (20th year), plays Frisbee Golf (47 official games) and plays some doubles table tennis. He continues his volunteer work for the retired teachers organization and being the weekday projectionist at the *Catlow Theater* in Barrington. Janette is still busy practicing yoga and as Treasurer of AATSP and volunteers weekly at *Walk On*, a therapeutic riding program for children.
