

# Greetings from our house to yours with news from 2015

# 2015

was another year filled with travels, fun, accomplishments, memories, and growth. We were able to visit with many friends and family at our house and theirs.

Our travel year started with a visit to Las Vegas for Janette's 62<sup>nd</sup> birthday. In May Reinhard traveled To Germany to visit friends and family. In August we flew to New York to see Jeff, Yunxia and Hong. Then we spent a weekend in Chicago to celebrate Reinhard's 66<sup>th</sup> birthday. In November we flew to St. Thomas in the Virgin Islands for our 30<sup>th</sup> wedding anniversary.

On the home front we did a lot of entertaining as usual. In summer we spent days in the yard with our dog Tailer and swam in the pool.

Janette still rides at Rancho del Rio in Wisconsin and went to horse shows in the Midwest with her horses. Our annual 28<sup>th</sup> Lot Party in August was attended by 103 people and the 68<sup>th</sup> Fort Reunion took place as usual in September. In October we had our annual get-together in Door County with friends.

As always, during the year we enjoy going out to eat and seeing movies (68). We visit with our family in Morton and Lemont and follow our nieces' and nephews' progress around the country and world. Reinhard plays his monthly poker (22<sup>nd</sup> year), plays doubles table tennis and plays some Frisbee

He continues his volunteer work for the retired teachers organization and being the weekday projectionist at the Catlow Theater in Barrington. Janette is still on the Chicago Chapter of the AATSP Council after 17 years. She continues practicing yoga, takes classes at the fitness center and attends weekly nose work classes with Tailer.

**We wish all of you good health and happiness in 2016!**
