

Liebe Alumni,

den 30. November 2007

Guten Tag!

It is time once again to invite you to the annual **HEHS Deutschklub Weihnachtsfest**. But since I am no longer teaching (part or full-time), that long-time tradition has to change slightly.

I would like to invite you to a **Virtual Weihnachtsfest**.

You can "attend" in three ways:

1. Reply to this e-mail with your name.
2. In addition, you can write a few words.
3. In addition you can send a picture of yourself or you and your family.

I will "seat" you after you reply and you will be able to see yourself, as well as the others, at this link: <http://www.reinhardtaylor.us/school/index.html>

I am still in the process of updating the website and posting pictures from previous years. Keep checking: <http://www.reinhardtaylor.us/school/germanclub/history/weihnachtsfest/index.html>

Viele liebe Grüße,

Reinhard Taylor

PS. You got this letter, because I don't have your e-mail address. Please send it to me.
